CAMP POLICIES

First Time/New Campers

If your child is new to summer camp or is having any difficulties adjusting, please let the staff know. It can make a significant difference in their week if we can help them start camp on a good note. We want to work together to make sure your child has an amazing experience! If your camper has student support during the school year, please consider providing that same student support for summer camp. Please contact the Agency to discuss this further to ensure a positive experience for your camper. This does not apply to the Senior 55+ Camp.

Camp Attire

Most activities will be held outdoors, so please dress your child appropriately. Sunscreen and closed-toed shoes are highly recommended, as well as a raincoat in case of rain. All personal items need to be labeled as many kids have similar garments and items. To help your camper come home with all his/her belongings each day, please pack all items in a backpack or bag that they can carry. This does not apply to the Senior 55+ Camp.

Inclement Weather

Nature Camps will continue in light rain. Each camp will have a designated rain location to move to in the event of heavy rain and will be carefully monitored in this weather location. In case of severe inclement weather, activities will be moved to a safe location. Parents will be contacted if weather causes the camp to be cancelled. Each camp will let parents know their method of communication. This does not apply to the Senior 55+ Camp.

Health & Wellness

Children who are sick are not permitted to attend camp. If your child becomes ill while at camp, parents (or the emergency contact person) will be notified and are expected to pick-up their child in a timely manner. When appropriate, a doctor's letter may be required for your child to return to camp. Staff are not permitted to administer any type of medication(s).

Cancellation/Refund

Summer Camp registration refunds must be requested fourteen (14) days in advance of the program start date to be considered. If the request is made fourteen (14) days or more in advance of the program start date, a refund will be provided minus a \$20 administration fee. If a summer camp refund is requested less than fourteen (14) days in advance of the program start date, a refund will be provided ONLY if the spot can be filled and minus a \$20 administration fee.
