II. Proposal to Continue the Shared Parking: Dan Klees

A. Discuss the proposed shared parking area

The current Welch Pool lot provides 37 spaces and is scheduled to be removed in August 2009. State College Borough typically requires 1 parking space for each 75 sq. ft. of water surface area = 160 spaces total based on the approved Concept Plan. The proposed shared lot contains 49 spaces with the balance provided in the existing South Bldg. lot (used by band camp during August mornings).
