

# Find Your Next Adventure Here!

Welcome to the “Visit Centre County” GeoTour (GT494)! Special geocaches have been hidden at more than 50 sites in Centre County! All of these sites highlight what is special about our county--its historical sites, its ridges and valleys, its natural resources, beautiful vistas, and wonderful local and state parks.

When you discover a geocache, please record the date of your find and the very special codeword for that cache. You will find the codeword either IN, ON, or there will be a hint where you can find the codeword nearby!

To receive a “Visit Centre County” GeoTour trackable coin, you must find 45 caches! If you complete all of the tour’s caches, you also receive a Souvenir for your profile on the Geocaching.com website. To receive your coin, you must visit the Happy Valley Adventure Bureau’s Visitors Center at 800 Park Avenue, State College. The Center is open year round and you can check those hours at [www.happyvalley.com](http://www.happyvalley.com).

Coins will be awarded on a first-come, first-serve basis. Only one coin per completed passport. If you have children, 12 yrs. and under with you, please pick-up or download the Junior Geocacher Passport! If they complete their passport, they will have a chance to grab an item from the swag bag! Your passport must be validated before a coin is awarded. Please leave time to have that done when stopping at the Visitors Center. All geocaches are officially registered on [www.geocaching.com](http://www.geocaching.com). Participants need to be registered on [www.geocaching.com](http://www.geocaching.com) in order to retrieve cache coordinates and to log the find. Basic membership is free.

This tour would not have been possible without the work of our Geocaching Volunteers and without the support from our partner and grant provider, the Happy Valley Adventure Bureau.

Cachers who helped Centre Region Parks and Recreation create this tour deserve a **BIG Thank You.**
